

IMPULSE!

INDULGENT ACCESSORIES FOR LUXURY LIVING

A WORLD TO EXPLORE

Dear Friends,

After a long day of work last month, I decided to catch up with a friend who I hadn't seen in over 20 years. He listened to my stories of how I have been busy building IMPULSE!, growing year by year, bit by bit. We laughed as I shared some classic IMPULSE! travel stories gathered as I have spent the past 15 years searching for the best of the best in all corners of the world. Finally, my friend asked me a simple question. "What sets IMPULSE! apart from its competition?" I thought for a minute and then the answer leapt from my lips. "We just have a lot of fun doing what we do, and there's a certain IMPULSE! spirit that 's behind every move we make," I replied. And as I spoke those words, I thought about how true this really is. As we consider new products, we always begin our evaluation by considering how much fun they would be, how great they would be to use at a party, how awesome they would be on a dinner table or during cocktail hour. Inevitably, we look for the personality behind all that we manufacture and we most definitely consider the impact of what we do on everyday lives. For better or worse, whether a product will sell or not is secondary. What really drives us is whether our work will bring a smile to faces, make a difference in lives even if in a small way, and whether our work will bring even a touch of indulgence to our friends and family.

When we were in the middle of a photo shoot last summer, the four-legged little guy that you see below seemed to grasp the IMPULSE! spirit immediately and crashed our photo session as if we were waiting for him all day. His energy was contagious and brought a smile to our faces instantly. And each time that I look at this picture, I smile again and again. I realize how such a simple snack set up on a green lawn next to the beach can be so relaxing – just what the doctor might call for in tough times. I love the spirit that our newfound friend shared and thought it would be fitting to share this fun photo with you.

Enjoy our latest offerings and as always, we thank you for your loyalty and friendship.

Safe travels and enjoy your journey,

Rob Berman
