

Product Range

France, 1925. This was the year the first Le Creuset casserole was forged from the raw materials of coke, iron and sand at our foundry in Fresnoy-le-Grand.

The same foundry is still hand-crafting our enameled cast iron cookware for you in much the same way today.

Craftsmen still apply the same skills and rigorous standards to produce each individual item.

The volcanic orange Le Creuset casserole still remains an icon of outstanding quality, and stylish design, not only meeting the exacting standards of professional chefs worldwide, but also the highest standards of anyone who loves to prepare delicious food at home.

Whether you're preparing a quick supper after work, or something extra special for family and friends, Le Creuset has the pot, pan or dish in a choice of materials to suit your needs.

Our enameled cast iron cookware is synonymous with quality, cooking and great tasting food.

Our unique enamel finish is not only durable and hygienic but vibrant and colourful. With a choice of over **ten colours**, including new Cotton in matte finish and Marseille Blue, you can complement your kitchen and dining room beautifully.

Everything you stew, braise, simmer or bake will taste even better than you imagined because cast iron cooks evenly and gently. With exceptional heat retention, your meals will also stay warmer for longer at the table. Choose your colour and a size to fit your lifestyle and the pot will do the rest. With a **lifetime guarantee** and **total versatility on any heat source, including induction**, you can trust Le Creuset to give you reassuringly great results in the oven, on the hob, under the grill or when presented at the table.

To achieve the perfect chargilled or pan seared result, the essential ingredient is a Le Creuset Grill, Grillit® or Frying Pan.

With a range of grill shapes and sizes to meet your needs, you will be able to create professional sear lines and delicious results.

If you are frying, we have an omelette pan and a larger frying pan to choose from. All of these products come with either a metal or a phenolic handle, making them versatile enough to use on the hob, under the grill or in the oven.

World Cuisine is a new collection of products developed by Le Creuset that pays tribute to some of the most inspiring and exhilarating cuisines from around the world, comprising of a Cast Iron Indian Balti Dish, Chinese Wok, Spanish Paella Pan, Mexican Sizzle Platter and a Moroccan Tagine.

The Cast Iron products are complemented by two versatile new Stoneware shapes – a Tapas Dish and a lidded Condiment Pot with spoon.

Le Creuset thereby offer, in addition to our existing and world-renowned range of Cast Iron and oven-to-table Stoneware, some exciting new shapes that will enable you to experiment, create and serve the most flavoursome and inspired dishes in your own home.

Stylish design coupled with superb cooking results feature in our 3-ply Stainless Steel range.

3-layers for improved cooking performance

Using the latest **multi-layering technology**, which cleverly combines the cooking benefits of stainless steel and aluminium, heat spreads evenly and gently throughout the entire pan – from base to rim.

Selected products feature our ultimate non-stick coating - a tough, metal-utensil safe surface ideal for healthier cooking with little or no added oil or fat.

Suitable for use on all types of hob, including induction, the pans are also oven safe to 220°C/Gas Mark 7, dishwasher safe and are covered by a reassuring **Lifetime Guarantee**.

Thoughtful touches include **capacity markings** inside our saucepans and casseroles, and an **all-round pouring rim** to prevent drips. The professional-style cast handles are attached with stainless steel rivets for a superior, secure fixing and the addition of **helper handles*** makes lifting even easier.

* Helper handles on selected products only

Toughened Non-Stick is a sleek range of versatile non-stick pans perfect for everyday use.

The tough **non-stick surface** and special hardened body create a durable and long-lasting pan which can be **used on any type of hob, including induction.**

Each pan features our ultimate non-stick surface, inside and outside. Food releases with ease, the pans are easy to clean, and you can use metal utensils too.

When heated, the pans will stay in shape and will not warp or distort. The cast handles are comfortable to hold and are attached with **stainless steel rivets** for a superior, secure fitting. The addition of **helper handles*** makes the pans even easier to lift.

Oven safe to 260°C**, and dishwasher safe, the pans are covered by a reassuring **Lifetime Guarantee.**

With a very wide choice of shapes and sizes, Le Creuset Toughened Non-Stick is sure to become your new favourite pan.

Whether you are an experienced home-baker or baking for the very first time, the Toughened Non-Stick Bakeware range from Le Creuset will help you to enjoy the delights of home baking.

Le Creuset Toughened Non-Stick Bakeware is made from **heavy-gauge carbon steel**, perfect for all types of baking as heat spreads gently and efficiently for an even bake without burning. Strong and rigid, the tins retain their shape and won't bend or twist.

Each tin has an **ultra-smooth and slippery non-stick surface** so that even the most delicate or sticky mixture slides out with ease. **Our ultimate non-stick coating** is produced without the use of PFOA, and is tough, durable and metal-utensil safe.

Helpful touches include the **heat-resistant silicone trim*** for an extra-safe grip and a generous all-round rim** for easy lifting. Each tin is oven-safe to 240°C/Gas Mark 9 and is covered by a reassuring **Lifetime Guarantee**; a truly worthy investment.

* silicone trim does not protect against heat – always use dry oven gloves when lifting a hot baking tin.

** some shapes do not have the all-round rim

If you are looking for a range that cooks and looks great, from the oven to the table, then Le Creuset Stoneware must be top of the list.

The collection comes in vibrant colours that coordinate with Le Creuset cast iron cookware.

Made from specialist clays and fired at the highest temperatures, our stoneware is tough and resists chipping, cracking and staining. So much so that we offer a 5-year guarantee on each piece.

Thanks to our enamelling expertise our stoneware is also easy to clean and is scratch resistant – even under the sharpest knife.

For those who need full versatility, Le Creuset stoneware can go in the oven, under the grill, in the microwave, in the freezer and dishwasher.

A kitchen is not complete without those additional accessories that make preparation and cooking an easier, cleaner task, as well as complementing your Le Creuset cookware.

Kettles

Kettles are truly a kitchen essential. Whether you prefer traditional or contemporary design, our enameled steel stove top kettles and new stainless steel stovetop kettles are the perfect complement to your Le Creuset cookware.

Mills

Seasoning can dramatically enhance the flavour of a dish and is fantastic if you like to cook from scratch. These new Mills feature a very elegant, classic mill form made from superior quality ABS plastic for strength and durability. The hardened ceramic grinder is perfect for cracking peppercorns and corrosive resistant which is ideal for grinding salt.

Textiles

Our Le Creuset kitchen textiles range is made from the finest quality materials. Manufactured from 100% cotton canvas and towelling and including an **effective steam/grease barrier**, these easy to care for products offer outstanding performance.

As a helpful addition, all textiles are coated with a **stain resistant coating** to resist spills and stains.

Silicone

Le Creuset offers you a choice of silicone spatulas which will withstand temperatures of up to 250°C. The silicone is **durable, non-oxidising, stain resistant** and **will not scratch or damage any cookware**.

All wooden handle spatulas have removable silicone heads which are dishwasher safe. Our professional range of spatulas available in wood and nylon have innovative handles which provide a comfortable, steady grip.

Le Creuset Wine Accessories are a natural extension to our cookware, kitchen and dining collections, offering all you need for home entertaining.

Each Le Creuset Wine Accessories product encompasses stylish design and essential features required to carry out the key 'Wine Rituals' with ease and finesse; **Cooling, Opening, Serving, Preserving.**

It all began with the Original Classic Table Model, the first ever self-pulling corkscrew. From its perfectly shaped Teflon® coated screw, **designed to glide smoothly** through even the toughest corks, to its comfortable, **ergonomic design**, it ensures that every bottle of wine is opened effortlessly every time. Each Wine Accessories product is designed to meet exacting standards of quality, durability and ease of use. No other company is able to offer such a complete range of wine accessories at such a high quality and proven design.
