A High-Tech Way to Grill

With real-time food monitoring and flip and serve notifications, integrated WEBER CONNECT smart technology guarantees that everything you grill is cooked to perfection.

Roast, Bake, Stir-fry and More

Our WEBER CRAFTED Outdoor Kitchen Collection of custom-fit grillware turns your GENESIS grill into a stir-fry station, pizza oven, rotisserie, and so much more.

Night Vision Grill Lighting

Our proprietary NIGHT VISION grill lighting illuminates the entire grilling surface when you open the lid.

Simply replace your right-side cooking grate with the WEBER CRAFTED Frame Kit to unlock new grilling possibilities.

Grillware

7672 Flat Top

Grill anything from pancakes to fajitas. Side walls keep food, oil, and seasonings in place.

7671 Glazed Baking Stone

Extra-large stone works like a brick oven for perfectly crispy pizza crust and desserts.

7670 Dual-Sided Sear Grate

Designed to grill meat on one side, delicate food on the reverse.

7673 Roasting Basket

Perfectly caramelize veggies, delicate seafood, and smaller pieces of meat.

7675 Rotisserie Skewer Set

Set onto the rotisserie spit in your grill to make savory, evenly cooked kebab combinations such as chicken, shrimp, veggies, and fruit.

Frame Kit

7677 Weber Crafted Frame Kit

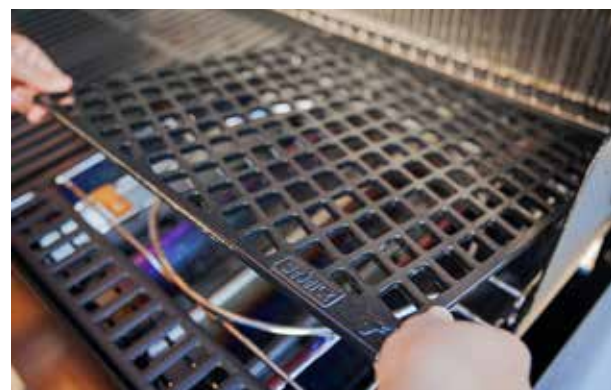

Fits 2022 GENESIS grills.

1 Remove cooking grate.

2 Insert WEBER CRAFTED frame kit frame and spacer.

3 Insert WEBER CRAFTED custom grillware.

Sear Station

The Sear Station is designed to create an intense heat zone to quickly add sear marks to your meat. The high heat from this extra burner also decreases preheat time.

Tuck-Away Rotisserie System

The heavy duty, rear-mounted, infrared rotisserie burner evenly distributes heat directly towards the spit. This unique rotisserie system comes with a flip-up motor and a separate spit and fork storage area in the enclosed cart.

Smoker Box & Burner

Add smoky flavor to any grilled meal with the integrated smoker burner and stainless steel smoker box.

Weber Traveler

LP: 9010001

- + Integrated steel folding cart
- + One hand set-up and fold with automatic lid lock
- + Uses disposable 16 oz. LP cylinder (sold separately)

Large Grilling Area

The large grilling area fits up to 15 burgers or 20 sausages so that the entire meal is grilled, and everyone gets to eat, at the same time.

Weber Traveler Accessories

7031 Reversible Prep & Serve

Form-fitted to the WEBER TRAVELER grill side table. Reversible for prep and serve options.

7030 Cargo Protector

Form-fitted to the WEBER TRAVELER grill for optimal grease and grime containment. Grease-resistant fabric protects trunk interior or cargo space.

One-Handed Setup And Fold

The Traveler is specially designed for an easy, one-handed setup and fold down. The grill is also attached to the cart so that you're up and grilling in no time.

Compact Storage

The compact fold and overall design makes traveling and storing as seamless as possible. The Traveler takes up minimal space in your garage and is designed to fit easily in the trunk of a car.

Porcelain-Enameled, Cast-Iron Cooking Grates

Porcelain-enameled, cast-iron cooking grates retain even heat for the best tasting food. The porcelain-enamel coating is easy to clean and built to last.

Compact Design

Small enough to grill on-the-go, with enough grilling space to execute an entire meal.

Folding Side Tables

Use the table to keep small serving dishes, seasonings, and tools within arm's reach. It also folds down for easy storage.

Pulse

5012001

- Pulse operates on 13 amps of electrical current
- Digital precision temperature control provides consistent temperatures
- Weber Connect technology includes guided grilling with recipes
- Weber Connect App remotely monitors grill and food temps
- Dual zone grilling to simultaneously grill different foods

6012001 Pulse 2000 Cart

7181 Premium Cover

Weber Connect Technology

Simply select your protein and Weber Connect step-by-step grilling assistance walks you through everything from grill setup and seasoning to when your food has reached the perfect temperature to serve. It's like having your own personal grilling assistant on your smart phone.

Digital Precision Temperature Control

While your food is cooking and you add more food to the grill, the digital precision temperature control measures the temperature inside the grill, automatically adjusting up to 600° F, as needed. This ensures a consistent temperature throughout the entire cook for perfectly grilled food.

200-600° Temperature Range

200-600° temperature range provides the versatility to sear steak, smoke ribs, bake pie, roast veggies, and everything in between. It's a true all-in-one grill that sears as well as it smokes.

Weber Connect Smart Grilling Technology

WEBER CONNECT smart grilling technology guarantees perfect wood fired food no matter what level of pellet griller you are. Receive notifications, at the grill or on your phone, with WEBER CONNECT step-by-step grilling assistance. It notifies you on everything from when it's time to flip & serve to a food readiness countdown. You can even control the temperature of SMOKEFIRE directly from your smart phone.

Coming Spring 2022

Make food never thought possible in your backyard with the new, blacked-out SMOKEFIRE wood pellet grill. Sear at 600 degrees, roast, steam, and even stir-fry by replacing the cooking grate with custom-fit WEBER CRAFTED grillware. And when smoking brisket into dusk, the unique under-the-lid grill lighting allows you to sauce and see your food no matter what time of day or night.

Rapidfire Lid Damper

The Rapidfire lid damper provides ultimate temperature control. The hinged design allows it to fully open, maximizing the air flow through the grill. This feature creates a chimney effect, quickly increasing temperatures to get you grilling.

Durable Construction

The high-quality steel construction and porcelain-enameled finish prevents rust, cracking, and peeling while withstanding high temperatures. It also makes the grill lighter weight and easier to move.

DUAL-WALLED INSULATION

The dual-walled, air insulated lid and bowl quickly reach precise temperatures. The innovative design allows for high heat grilling and all-day smoking at a consistent low heat, while minimizing the amount of charcoal burned during a cook.
